## ACTING PRESIDENT REPORTS

- The new college catalogue has been published, and indicates some of the improvements in our academic program which have been adopted by the faculty. We constantly seek to improve the quality of our education in order that students may be assured of the best preparation for their future service.

- Our Chorale has just returned from a very successful 10 day tour throughout southwestern Ontario. The musical ministry of the chorale centered in the grace of God as revealed in the cross of Jesus Christ. The Lord moved in the hearts of the Chorale members in a wonderful way to bring about a sense of unity and teamwork. Those who were privileged to hear them were most appreciative of the spiritual blessing in their ministry.

- I have been encouraged by the amount of the donations which have come to the College in the last two months. We need an additional \$30,000 by May 31 to complete the training of the student body. We are trusting God to provide for this important ministry through His people.

- I would extend to the friends of our college an invitation to attend the graduation exercises of the College.
