Another Prosperous Year.

Again we have to acknowledge the goodness of our Heavenly Father in the abundant blessing which has continued to attend the work of the Bible Training School. The tenth session just closed, has been in many respects the best in the history of the institution. The present issue of the RECORDER presents a careful outline of the work that was done during the past year, and also gives a brief summary of the results accomplished during the ten years that have elapsed since the School was opened. These are such as to inspire gratitude for the past and hope for the future. May the School continue to be prospered in its great purpose of committing the precious truths of God's Word to faithful men and women, who shall be able to teach others also.

The names of other friends in important centres are yet to be added to the General Council.

Tenth Annual Meeting.

The Tenth Session of the Toronto Bible Training School closed on Friday, April 29th. In the afternoon of that day the Annual Meeting of the united Board of Incorporation and General Council was held, when the reports for the year were presented, and all the work of the School received careful consideration. There was a large attendance of members, who manifested much interest in the continued progress and prosperity of the institution. At the close of the meeting, the Council, with some of the instructors and examiners, had tea together on the kind invitation of the President.

At the evening meeting the graduating exercises brought together one of the largest audiences ever gathered in the Assembly Hall. Devotional services were conducted by Rev. T. C. Des Barres, and Dr. E. St. G. Baldwin, both of this city. President Harris gave a brief outline of the work of the session, referring particularly to the large numbers who are again going forth to the foreign field, and to the increased attendance of young men and young women in the Day Classes. Appropriate addresses were given by four of the graduating students. Mr. C. J. Loney spoke on "Power from on High," as the great pre-requisite for Christian service; Miss N. Elliott turned attention to some of the "Precious Promises" which God has given to His children; Mr. B. C. Sircar, of India, answered very effectively the question, "Who is my Neighbor?" and Miss K. M. Holmes showed conclusively from God's Word that Christians have been "Saved to Serve." Diplomas were then presented to the following twelve students who have completed the course of study prescribed for the Day Classes, and have passed satisfactory examinations thereon: Messrs. John Albert Henderson, Clifford James Loney, Joseph Keyes McCormick, John Logan McCulloch, B. Israel Ramalingam, Daniel Solomon, Albert G. Simpson, John Armstrong Stevens, Bipin Chunder Sircar, and Misses K. May Holmes, Martha Stewart, Ethel May Wilkins. Certificates were also given to the following six students who have

satisfactorily completed the course of study in the Evening Classes: Misses Maud Dolg, Ellen Elliott. E. E. Naylor, Lily Taylor, Lucy H. Warwood, and Mr. Richard Edward Jones. The Principal, Dr. Stewart, addressed the graduates in a few parting words, in which he charged them in all their future ministry, whether at home or abroad, to be loyal to their Lord and faithful to His truth; and especially in these days of doubt and error to "contend earnestly for the faith which was once for all delivered to the saints." Messrs. J. L. McCulloch and Daniel Solomon gave appropriate valedictory addresses, and the closing address was delivered by Rev. W. H. Hincks, L.L.B., of Trinity Methodist Church, who told of his deep interest in the School, and gave earnest and eloquent counsel to the students. After a statement by our Treasurer, Mr. Shenstone, in regard to the finances, and the necessity for an increased income as the work continues to grow, this most interesting and inspiring meeting came to an end.

Report of the Principal.

PRESENTED TO THE BOARD OF INCORPORATION AND COUNCIL, APRIL 29, 1904.

To-day the Toronto Bible Training School closes its tenth session. The Institution was begun in response to what appeared to be a providential demand for such a service; it has been continued by the good hand of our God resting upon it; and it closes its first decade with the sympathy of an ever-increasing number of Christian friends, and the manifold blessing of our ascended Lord. To Him who alone is worthy, be all the praise and glory.

The past session has been one of progress and enlargement in every department of the work. The total enrolment in the Day Classes has been sixty-eight as against sixty-one last year, and in the Evening Classes 217 against 171 last year. In the Day Classes there have been 37 young men, five of whom were sent by the Provincial Committee of the Young Men's Christian Associations, and 31 young women; and in the Evening Classes

77 young men and 140 young women. In addition to these, several graduates of the School, occasional students, and visitors have attended certain courses of lectures. The average attendance in the different classes has also been very encouraging, and a spirit of deep interest and devotion to study has been manifested by the students generally.

THE DAY CLASSES.

The regular instructors in Day Classes have been Dr. Harris, Mr. McNicol, and myself. Dr. Harris has given two courses of expository lectures each week, one on the Book of Numbers, and the other on the Gospel of Matthew. My own subjects have been the following: Bible Doctrines, with the Word of God as our only text-book; the Messianic Prophecies of the Old Testament; the Principles of Bible Interpretation; and the Preparation of Gospel Addresses. I have also supervised the essays of the students, and conducted the exercises in public speaking. Mr. McNicol's subjects have been: Outline Studies of the Books of the New Testament, Christian Evidences, and Studies in the Life of our Lord, with a special course on the Parables. He has also conducted a class in English for those who needed instruction in Grammar and Composition, and a small class in New Testament Greek. He states in his report:

"In all these classes the students did faithful work and made marked progress. It was pleasing to see throughout the whole session the deep interest shown by them in their studies, and the devout and earnest spirit in which they carried them on."

VISITING LECTURERS.

During the session three valuable courses of lectures have been given to the students by Mr. H. W. Frost, whose subject was "The Holy Spirit in His fullness of Blessing"; by Rev. D. McTavish, D.Sc., who lectured on "The Life of the Apostle Paul in connection with his Epistles;" and by Rev. W. H. Hincks, LL.B., who discussed "Evangelistic Work in its Theme and Methods." These important subjects were presented by our friends directly from the Word with great clear-

ness and power, and they cannot fail to tell for good on the future ministry of our students.

OTHER VISITORS.

From time to time during the session the School has received visits from other friends. President Mullins, D.D., of Louisville Theological Seminary, favored the students with an admirable address on the qualifications needed for efficient service. Our old friend, Rev. Dr. Erdman, gave a clear and Scriptural exposition of "The Old Nature and the New." Pastor George Smith, of Buenos Ayres, and Mrs. J. C. Lawson, of the Industrial and Evangelical Mission of Pilibhit, India, told of the important work on their respective fields and the urgent necessity for additional laborers. Mrs. Howard Taylor, of China, conducted an interesting study of the Epistle to the Romans from a missionary standpoint. Mr. G. Sherwood Eddy, International Secretary of the Y.M.C.A. from India, gave a thrilling account of his labors in that vast and needy country; Rev. R. V. Bingham, of the Africa Industrial Mission, explained the principles of the Mission, and told in a touching way of the superstition and spiritual destitution of dark Soudan; Rev. Dr. Moffatt, Secretary of the Upper Canada Tract Society, presented its work and claims, while Rev. B. Bryan, of Parkdale, did the same for the Bible Society, both visitors inviting the students not otherwise employed to take up work as colporteurs for the summer vacation; and last, but not least, our aged friend, Rev. Thomas Bone, of the Welland Canal Mission, gave a most telling and suggestive talk on "Methods of Winning Men to Christ." The visits and addresses of all these friends were greatly appreciated.

THE EVENING CLASSES.

As in previous sessions, the regular Evening Classes have been held on Tuesday and Thursday of each week. Dr. Harris has given lectures on the same subjects as in the Day Classes; Mr. McNicol has given instruction in the Parables of our Lord, and the writer in Bible Doctrines. There have also been special classes on Monday and Friday

evenings during the session. On the first of these I conducted a large and interesting class on the Preparation of Sermon Plans, attended principally by the young men of the Day Classes. On the Friday evening, a class conducted by Mr. McNicol met for the study of the Sunday School lesson, in which there was an increased interest taken, the average attendance being much above that of last session.

MEDICAL CLASSES.

During the session medical classes were again conducted by three of the doctors who have given us such faithful and efficient service in the past. Dr. Bowie had a class in *Materia Medica* and *Therapeutics*, that is, the nature of drugs and their employment in the cure of disease; and Dr. G. D. Porter conducted a course of study in *Anatomy* and *Physiology*. Dr. W. H. Howitt again conducted a class in *Tropical Diseases*, during the second term of the session. This instruction cannot fail to be of great benefit to all who expect to engage in missionary service; and the medical gentlemen who have so ably and generously given their labors deserve the best thanks of both the students and the Board.

VOCAL MUSIC CLASS.

In accordance with a strong desire expressed by the students, arrangements were made in the early part of the session for instruction in vocal music. The services of Mr. A. T. Cringan were secured, and a class was held by him once a week in the theory and practice of singing. The class was well attended, and the instruction was much appreciated. Good work was done, which will frequently be of much assistance to the students in conducting their gospel services. The cost of the instruction of this class was kindly provided by our President, Dr. Harris.

EXAMINATIONS.

Written examinations have been held twice during the session on all the courses of Bible study pursued by the Day and Evening Classes. The minimum standard for each paper is fifty per cent., but more than half the students obtained seventy-five per cent, and upwards, and

nearly one-fourth obtained ninety per cent. or over on most of their subjects. Very few failed to reach the prescribed standard, so that the examinations as a whole have been quite satisfactory. Dr. McTavish very kindly prepared the questions on his own subject, and also examined the papers handed in; on which he sent me the following report:

"I have examined the papers on the 'Life of Paul,' and have been greatly delighted with the results. Eleven received over ninety per cent., and may be said to have given in full papers. Their answers were clearly and intelligently expressed. Thirteen who received seventy five per cent. or over, may be called very good; while scarcely any of the remaining papers fail to reach the minimum requirement; most of them being really good. It is a pleasure to see such intelligent answers, and such a good grasp of the subject."

The papers of the recent examination on Bible Doctrines were examined by Dr. Welton, whose report is as follows:

"I have examined with very much pleasure and interest the papers of the students of the Training School, on the subject of Bible Doctrines. I am much pleased with the evidence given in nearly all cases of excellent training and careful study, and their remarkably clear, intellectual and spiritual apprehension of the truths of the Bible."

BIBLE CONFERENCES.

On the invitation of the Committee of the United Young People's Societies of Guelph, a Bible Conference, lasting for three days, was held in that city in the end of October. The exercises were arranged under the joint auspices of the local Ministerial Association and the Bible Training School. The lecturers were Dr. Harris, Mr. Winchester, and myself. There was an excellent attendance at the Conference, and much appreciation was expressed of the benefit received from the different Bible studies. It is expected that a similar Conference will be held in Galt during the coming fall.

PRACTICAL WORK.

The students have done a large amount of evangelistic and city mission work during the session. Several places outside the city have been supplied with

preaching by our young men; and on two of the fields, Woodbridge and Sebright, gracious revivals were experienced, resulting in large additions to the membership of the Congregational and Presbyterian churches. During the latter half of the session, an evangelistic band was formed by a number of our young men, who have conducted successful services in six different churches of the city and neighborhood. The young women have also been active and useful in different city missions, in house-to-house visitation and in Sunday School and Young People's work, in this way doing much direct good and also receiving a valuable training for future service.

DEVOTIONAL AND MISSIONARY SPIRIT.

The regular Tuesday forenoon devotional service has been continued with much interest and blessing. This has been a feature of the School from its beginning. An early Thursday morning missionary prayer-meeting has also been maintained with a good attendance, especially of Student Volunteers. Of these there have been fully thirty in the School this session who have expressed a definite desire for service in the foreign field, should God in His providence open up the way. They have also formed a class for missionary study, which has been found very helpful. There is great reason for thankfulness in the continuance of a strong missionary and devotional spirit among the students.

LABORERS SENT FORTH.

In May last four of our students left Canada to labor for Christ in Nigeria. Since then ten others have gone forth or been accepted for service in foreign fields: three for India, one for South America, one for the Malay Peninsula and two for China. The three young men from British India, who have just completed their course of study with us, will also soon be at labor among their fellow-countrymen in Burma. To the home mission work a larger number of our students has just been appointed than at the close of any previous session in the history of the School. These will labor for the most part in destitute fields in New

Ontario, and in Manitoba and the North-West. Others will be employed as nurses, Bible women, Y.M.C.A. Secretaries, Bible and Tract Society colporteurs, and in other spheres of Christian usefulness, in which we hope that abundant blessing will attend their labors.

DEATHS.

During the year, Mr. George Foster of Brantford, a member of our Council, was taken away by death. He was a warm friend and supporter of the School from its beginning, a faithful and devoted servant of Christ, abundant in word and work, and a lover of all who love the Lord Jesus Christ in sincerity. Mr. Albert F. Taylor, one of our graduates who went out to Africa four years ago, has also died at Bida in Northern Nigeria, where he had just opened a new station. He was a young man of great promise, being modest, diligent, consecrated, and much beloved by his instructors and fellow students in the School. May God raise up others like-minded to take the places of these two, who served their Saviour so faithfully and in such different ways and spheres, the one at home and the other abroad.

TEN YEARS' RECORD.

At the close of the tenth session it may be well to review the work that has been accomplished. Certainly the results are such as to call forth devout gratitude to God. The School was opened in September, 1894, with twelve students. During these ten sessions 376 different students have been enrolled in the Day Classes and 1120 in the Evening Classes. Already more than 140 have gone forth to definite fields of labor. This is exclusive of very large numbers who are engaged in Sunday Schools, Missions, and other branches of Church work in their own localities. Sixty-five have gone to the foreign field; twenty-six have entered the Christian ministry in Canada, the United States and England; eight have been working among the aborigines of our own Dominion; seven became Secretaries of Y.M.C. Associations; five have been evangelists; three have been speci-

ally engaged in Bible instruction; two have had charge of the Nursing-at-Home Mission of Toronto; one continues to labor among the Deaf Mutes of the city, and another as missionary among the lumbermen of Northern Ontario; while still others are employed as Pastors' Assistants, Catechists, Bible Women, City Missionaries, and in similar departments of Christian and philanthropic work. Foreign missionaries have gone from the School to China, India, Japan, Jamaica, East Africa, Nigeria, Armenia, Palestine and South America. Among our students we have had several whose native tongue was not English, but French, German, Swedish, Russian, Syriac, Chinese, Bengali, Telugu or Tamil.

PERSONAL.

It seems to be right that before closing this report, I should make some reference to my own relation to the work of the

School. For two or three weeks at the end of December and the beginning of January I was laid aside by a somewhat serious illness. Providentially this happened at the holiday season, so that the classes did not materially suffer from my absence. By the blessing of God my ailment has almost entirely gone, and yet I have been led to feel that there is a possibility of my being soon laid aside. Should this be the case, I do not doubt that Divine guidance will be graciously vouchsafed, for He who has provided both men and means for this great work in the past will give all needed supply for the time to come. To Him we again commend our beloved Institution, with the earnest prayer that the next decade may be even more faithful and blessed in results than the one just closed.

Respectfully submitted,
WILLIAM STEWART.

From Northern Nigeria.

A letter recently received from Mr. Charles Waddell, who left Toronto a year ago, with seven others, to labor in connection with the Africa Industrial Mission, gives somewhat sad intelligence of the health of the party. First Mrs. Judd, with her husband and child, had to return; then Mr. Smedley had a serious illness, and was invalided home, where he has recently arrived somewhat improved, but still in much weakness. Now Mr. Waddell writes that Mr. W. D. Spinks is far from well, and that the climate is undermining his health. These

losses of workers from the field, following so soon on the death of dear Albert Taylor, are a sad blow to this young mission. But Mr. Waddell writes in good heart and hope. In looking back over the experiences of the year, he says:

"As I see my brethren returning home one by one, and hear of many of the Government men dying from fever, I am led to ask, Am I in the will of God? As far as I know, I am. The real joy I have in the work, and the blessings which God is bestowing upon me, give me trustful assurance. I firmly believe that God guided me here, and I know that it is for me to be faithful. Pray for me."

Our Students from India.

The three students from British India, who have attended the Bible Training School for two sessions, have completed their course of study very satisfactorily, and received diplomas. At a largely attended Council held in this city on May 6th, Mr. Sircar, after very full examination, was ordained to the work of the Gospel ministry. He is to become pastor of a newly formed Urdu Church at Rangoon, Burma. The other two will also be engaged in missionary service among their own people. All three sailed from New York on the 21st of May, and are followed with earnest prayers that much blessing will attend their labors.

Extracts from Letters.

One of our friends, in sending a second donation to the School, says in his letter:

"I have always believed that the Bible Training School was doing a good work in preparing so many young men and women for mission service in this and other lands. But it is only since I have heard about it from one of your students directly, that I know more fully how great and important your work is. Enclosed find my contribution for the School; I only wish I could make it more."

Another subscriber, in remitting his donation to the Treasurer, says:

"I trust you will find the cheque which I enclose helpful, and only wish it was ten times as much. If it was, I am sure you would have room for it, and it would be in a good place."

Notes.

The next session of the Bible Training School will open (D.V.), on Tuesday, September 20th, 1904, at 10 a.m.

Mr. E. Halliwell has been re-engaged as "stated supply" for two Congregational churches near Woodbridge.

Messrs. R. A. Walmsley, J. A. Henderson, and J. A. Stevens expect to labor in Baptist Home Mission fields in Ontario and Manitoba.

Messrs. K. McKenzie and H. Smith will spend their vacation in colportage work under the direction of the Upper Canada Tract Society.

Messrs. J. L. McCulloch, A. G. C. Simpson, A. Piercy, and R. D. Lees have received appointments to labor in Home Mission fields under the Presbyterian Board.

Mr. C. W. Bradley, of Buffalo, N. Y., a former student of the School and prominent Y. M. C. A. worker, has been appointed as missionary to the Malay Peninsula.

Misses K. M. Holmes and B. Mould have been accepted as missionaries to labor in connection with the Evangelistic and Industrial Mission at Pilibhit, Northern India.

Miss A. R. Hitchon, an esteemed graduate, and for a time teacher of English in the School, has entered on her work as Bible Woman and S. S. Missionary in the West End of the city.

Misses G. E. Brooking and E. E. Naylor have been accepted for missionary service by the Directors of the China Inland Mission. They expect to leave for their distant field of labor in the fall.

Mr. John Brown, one of our graduates, after being successfully engaged in the Y. M. C. A. work in Montreal and Mt. Vernon, N. Y., has received an important appointment in the Boys' Department of the Central Y. M. C. A., New York city.

The new Catalogue and Announcement of the School will be published early in July, giving full particulars about Instructors, Lecturers and Courses of study for next session. Copies may be obtained on application to the Principal, Dr. Stewart, or to Miss A. Burns, the Assistant Secretary, 110 College St., Toronto.
