

Students from International Hochschule Liebenzell Germany are coming to Tyndale

Friday, November 23, 2012 —

Tyndale is pleased to announce that on November 14th 2012, a Memorandum of Understanding was signed between Tyndale University College & Seminary and Internationale Hochschule Liebenzell (IHL), a Christian university in Bad Liebenzell, Germany which offers degrees in Theology, Christian Education and Theology/Social Work in Intercultural Context.

The new partnership between Tyndale and IHL will give undergraduate students from Liebenzell the exciting opportunity to study in Toronto and gain valuable educational and intercultural experience here in Canada's most ethnically and culturally diverse city. Liebenzell students will be eligible to apply to study for one term in Canada after completing two full years of academic work in Germany.

Tyndale has committed to providing housing for its new students on or near campus. A full range of student services and facilities will be made available, and the transition and orientation process will be made as convenient as possible. It is expected that Liebenzell students will be at Tyndale as early as September 2013.

International Hochschule Liebenzell has announced plans to increase the number of English courses it offers on its own campus, to provide a similar international exchange opportunity for Tyndale undergraduate students to study in Germany in the coming years.
